Faculty OK's New Honor Point System

A new method of figuring honor points was approved at a faculty meeting Thursday, Oct. 5, for publication in the 1962-'63 catalog.

The new rule states that in determining a grade point average, the student shall be assessed the number of hours credit attempted for each registration in the course.

This simply means that in repeating a course, the accumulated honor points in that course will be divided by the accumulated hours spent in it.

An example would be if a student flunks a 3 hour course, takes it over and receives a 'D', then takes it over and gets a 'B'; he will end with an averaged grade point of 1.33, or slightly over a 'D'.

Previously the highest grade would have been counted as the grade for the course.

Frosh Tests Are Returned

Results of the Freshman Orientation Tests have been returned to NWMSC.

Each student, in order to obtain the results, must make an appointment with the secretary in the Dean of Students office.

At the time of appointment results will be interpreted. The results will aid students in deciding a major field by pointing strength and weakness in academic fields.

Pep Club Hopes For More Support

"Furthering school spirit" will be the main objective of the recently organized Bearcat Pep Club.

The group meets once a week for discussion and work with the cheerleaders.

Special privileges, available to members only, include; reserved area at all home football and basketball games, reserved seats on any sponsored bus trips to out-of-town games, and megaphones.

The only requirement for membership is to show enthusiasm in backing the cheerleaders at all athletic events.

Those who would like to belong to the pep club contact Jerry or John Gilliland and attend the meetings which will be announced.

Deadline October 18

Student body president Joe Merrigan announced that all candidates for Homecoming Queen must register with the Registrar's Office by October 18, at 4 p.m.

The information for the registration must include the name of the queen candidate, the name of the sponsoring organization, and the Campaign Manager.

Beards Cause Photo Change

The schedule for Tower pictures has been changed, according to Mr. Howard Ringold, sponsor of the Tower.

The reason for the change was given as being a result of the new freshman tradition of "Burying the Blade", or growing beards prior to Homecoming. Since the original schedule called for freshmen to have their pictures taken from Oct. 23-27, this would have resulted in some "fuzzy" freshmen pictures.

The new schedule of pictures remaining to be taken, according to Mr. Ringold, is: juniors, Oct. 9-13, sophomores, Oct. 16-20, and seniors, Oct. 23-27.

Committee Issues Rules for Parade

The Homecoming Committee headed by Gene Vogel and Pat Harris in conjunction with advisor, Dr. John Harr, has issued the rules regarding construction and safe assembly of floats.

Fire Protection

There is to be no smoking in the building area. A fire extinguisher on the float or in the car is required. There must be no open flame around the float. All floats entered must be assembled before entering the parade grounds. Hoods must be over motors in self propelled floats to reduce the fire hazard.

14 Feet Limit

Due to low limbs and powerlines a 14 foot limit in height has been recommended.

More specific expense accounts are to be kept. Only those expenditures made through Dale Hunzinger, the business manager, will be honored.

Since each Greek organization is entering only one float, there will be a shortage of humor floats, and organizations are urged to enter humor floats.

The limit on beauty float expenditures has been raised to \$100 to facilitate float construction.

Yearbook Work Well Underway

Pictured above is the Tower staff in the process of making up a lay-out. Plans call for the best annual of them all this year. The Tower staff has been entertaining the idea of having the yearbook covering a full year of school activity.

Narrow Margin In Frosh Vote

Slightly over one-third of the freshmen cast their ballots in the election of officers, October 4.

Narrow Decision

The race was a close one, with two votes deciding the election for the presidential office.

Newly elected officers are John Siehl, Grinnell, Iowa, president; Robert Platt, Early Iowa, vice-president; Millie Cockrill, Platte City, Missouri, secretary; and Judy Huitt, Des Moines, Iowa, treasurer.

Dr. Gailey Speaks To Soc. Sc. Club

Dr. Harry Gailey spoke to the Social Science club Wednesday, Oct. 4, in the Union lounge.

The meeting was under the direction of Fanny Kavanaugh, president of the club.

The subject of Dr. Gailey's talk was "Political Problems of West Africa." Since he has recently returned from Africa, his reflections had a personal authority to them.

This was the first meeting of the club. New students are urged to attend and join the club, according to Miss Kavanaugh.

Diane Hunt and Jim Hurty were caught in this pose by Missourian photographer, Bob Briggs, as they were "running over their lines" before play practice.

"Tall Story" Opening Only Two Weeks Away

English Dept. Loses Member

Mr. James Siefkas, English and speech instructor, has been called to active duty with a reserve unit in St. Louis.

He left the college Friday, Oct. 6 and will depart for Fort Devens, Mass. on Oct. 12, for a maximum of one year active duty. Mr. Siefkas had four years in reserve training and six months active duty at Fort Gordan, Ga.

This year marked the start of his second year with the English department. He will take his wife and two children with him to Massachusetts.

Mr. Siefkas has a B.A. and M.A. from the University of Missouri and has taught previously at Christian College, Columbia.

Parade Limited To 30 Bands

Mr. Everett W. Brown, director of field service, announced that the bands in the Homecoming Parade will be limited to 30 this year.

Due to the limited facilities as to feeding, parking, and seating in the stadium it is necessary to limit the number of bands.

All bands that received 'I' rating last year will automatically be invited back making a total of 16 bands.

To complete the number a "round robin" has been formed. Names are to be "drawn from a hat." Those drawn will receive invitations. Next year different bands will receive invitations. The bands will not attend consecutive years, unless they receive a 'I' rating. Those who do receive a 'I' will be invited the next year.

Postponed

Activities of the Dance Club will be postponed until after homecoming because of the many girls involved now in the sorority and homecoming activities.

October 26 and 27 mark the dates of Northwest Missouri's opening drama production "Tall Story." The play, being presented in the administration building auditorium, will begin at 8 o'clock on the last Thursday and Friday nights of this month.

"Tall Story" is a high comedy by Howard Lindsey and Russel Crouse, who have written such other famous works as "Life With Father" and "State of the Union." "The Homecoming Game." A novel by Howard Nemerov, suggests the play's atmosphere.

The production portrays a plot by a gambling syndicate to "buy off" a superior basketball player at a small midwestern college. A web of hilarious complications is spun, resulting in much frustration and upset for the characters involved.

"Tall Story" Cast

Dr. Ralph Fulsom, director, has cast the following persons for the opening comedy: Ray Blent by James Hurley; Leon Solomon, Bob Sandmeier; Charles Osman, Charles Corrigan; Myra Solomon, Brenda Bichel; June Ryder, Diane Hunt; Hazel, Pat Dunham; Connie, Sue Waldier.

Agnes, Daphne Hickman; Nancy, Judy Cole; Mary, Joyce Mayfield; Fred Jensen, Michael Stoll; Frieda Jensen, Eleanor Yuille; Mike Giardinieri, Tom Ramsey; Sandy Hardy, Ron Hestand; Wesley Davis, Bill Hardesty.

Harmon Nagel, Jerry Matthews; Collins, Robert Gill; Clark, Gerald O'Riley; Albert Soloman, Allen Nabola; College boys—Kenneth Price, John Heiland, Gary Judd, Norman Wilcox.

Basketball players are George Fountain, Donald Sylvester, Richard Gould, James Smith, Larry Groom Harper Slagle, and John Heiland.

Coming Plays

Later productions will include: "The Heiress," a drama as a theater-in-the-round play, on January 10, 11, 12; "The Little Foxes," a drama, on March 1 and 2; and Shaw's "Arms and the Man," to be given by the Cleveland Playhouse Players on April 2.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Letter to the Editor

ARE WE HAVING ELECTIONS OR GREEK FIGHTS? This question can and probably will cause much talk. The idea of electing class officers should be to elect the most capable person for the office and not just to see which Greek organization will win the most offices.

The Sophomore class election was a battle between the Greeks. The election was conducted in a manner whereby every person had their say, but just like every other election there were hard feelings in the end. Why should there be? What difference does it make whether the winners were TKE, Phi Sigs, Tri Sig, Alpha, or even better—INDEPENDENTS!!!!

Far too much emphasis is being stressed by the Greeks to get their candidates in. Greeks were elected for every office of the sophomore class, if that means anything. So if Greeks want Greeks in the class offices, why don't the losing Greeks act as good losers.

Signed, Joan Moser

NMSC to Offer New Program

NWMSMC is making plans to offer a guidance counselor training program.

The program, offered in conjunction with the State Department of Education, will provide the basic training necessary for the certification as full time guidance counselor.

To start the program this year, Dean Koerble will be available on a part-time basis to visit public schools in the district to learn the situation and take basic steps in starting the program.

Missouri University and Northwest Missouri State College will co-ordinate the work, enabling counselor trainees to gain approximately one-half of their training toward the master's degree on the Maryville campus.

It is hoped that the program will be started by the end of the current school year.

Membership in the organization is gained by invitation only. The symphony is under the direction of Mr. Nelson E. Crowe.

Traffic Court To Open Soon

Student-Faculty Traffic court will convene next week. Time and date will be announced.

Those wishing to make an appeal to the court concerning a ticket must still report to the Business Office within a 48 hour period, as indicated on the back of the ticket.

Check Registration

All students are cautioned to make sure that their parking permits are displayed on their car in the proper place.

Students with cars that have convertible tops are asked to come to the Business Office and determine where the sticker can be properly placed.

It is the responsibility of the student to display the permit at all times.

Gov't. Job Interviews To Be Held Oct. 17

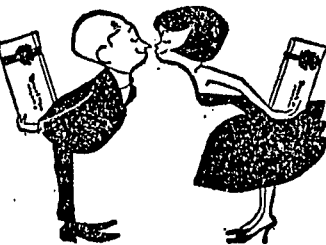

Forest R. Browne of the U. S. General Accounting Office will be on campus Tuesday, Oct. 17, to interview interested applicants for accounting positions.

Students with 24 hours of accounting and related fields who either: (1) have a grade average of B or better overall in the last two years or (2) rank in the upper one-fourth of their class, may make an appointment in the Placement Office.

Interviews will start after 9 a.m.

NODAWAY DRUG
West Side of Square

On one of his many wanderings, The Stroller ran across (not literally) one professor who was acting very curiously (more curiously than usually is the case) trying his best to find a door on the first floor of Colden Hall that opens to the front of the building. Now, everyone, even The Stroller, knows that there is no door from first floor to the front, mainly because practically all of that side of that floor is underground; but this didn't seem to enter his already "cluttered" mind. . . . With a dejected look, he returned to the privacy (?) of his office. Almost sure that he had dreamed the episode, The Stroller, with her all-seeing eyes, later saw him padding down the hall in the other direction, still looking for "the lost door!"

Talking about instructors acting strangely brings another case to mind. Students are forever wanting to be able to "turn off" an instructor when he is lecturing in a dull tone on a dull subject, and many do so mentally. . . . But one "brainwasher" has exhibited his ability to turn the tables. Just before he left the room at the end of a class period, he turned off his hearing aid and entered the halls with a smile!

A turnabout . . . the professors are beginning to catch up with the students in the number of Den hours.

Another professor, usually very conservative in his dress,

arrived in class looking like a billboard, (or maybe a color television show, if any of we country "hicks" have seen it.) Maybe he was trying to keep his "avid" listeners awake! Perhaps more instructors should try this method to keep the attention of their classes?

On one of his frequent trips to the Den, the Stroller was astonished by the look of the old stamping ground. She could hardly make it to a table for all the trash. And to add to it all, he was nearly beamed by a flying paper cup in a fight between two playful students.

This alarms the Stroller very much, as she hears rumors that the Den will be closed down if the inhabitants don't start being more careful.

The most often heard question asked this week . . . "Do you think tomorrow will be Walk-Out Day?" . . . The greatest gripe . . . "I've only got three tests tomorrow; do you think the instructors are letting up?"

The Stroller's ears also picked up the rumor that the Press Club is running a candidate for Homecoming Queen. Also that a big story is planned with her announcement next week. If the Stroller can get this by the editor he will give you an advanced notice of the girl's name. She is—

Young GOP's Suggest Debate

The possibility of a debate between the Young Republicans and the Young Democrats was the main event discussed at the Young Republican meeting Oct. 2 in the upper Lakeview room.

John Miller, president, suggested a debate on current issues which would be open to all students. This would provide for questions from the spectators. Faculty members would be present to answer any troublesome questions. The possibility of such a debate depends largely upon the interest of the student body.

At the next meeting, a tape of the debates between McCarthy and Goldwater will be played and a discussion held later. Meetings will be held the first Monday of each month.

Northwest Bearcats Stunned By Highly Rated Pittsburg

Stalwart Pittsburg (Kan.) State College took advantage of many favorable grid situations to swamp Northwest Missouri State 35-0 last Saturday night at Maryville's Rickenbrode Field.

The Gorillas, unbeaten, untied and unscored upon, have won their first four games. All of these have been with MIAA teams. Earlier shutouts were against Springfield, Warrensburg, and Rolla.

In the four games against Missouri schools this season, the Gorillas have tallied 123 points and allowed no concessions.

Four Big Threats

Pittsburg led all the way, although a scrappy Bearcat offense managed to penetrate the Gorilla 10 on four occasions: twice to the nine, once to the seven, and once to within mere inches of the final stripe.

Two of these drives were halted by pass interceptions. A third was terminated by a fumble; the fourth stop resulted from the determination of eleven defensive Kansans to keep Maryville from pay dirt.

Pittsburg got off to a tremendous start by intercepting a Bearcat pass on the second play of the night and by scoring through a 64 yard drive of 15 plays. Bill Presson accounted for the score, and toe-man Phil Vogrin kicked the first of his five conversion points in the game.

A second possession of the ball by Kansas saw another push begin. This 76 yard move was concluded as Bob Fulton dashed across from the two yard marker.

Thirty Show Interest In Swim Team

Thirty men, including 15 freshmen, attended the meeting on Varsity swimming, Oct. 4. The general facets of varsity swimming program for the season were discussed.

Coach Guy Bensusan, who called the meeting, termed it "excellent" and said that he was pleased with the number of people in attendance.

Prizes Are Taken In Art Exhibit

Members of the Fine Arts Department received awards at the Clarinda Art Exhibit held September 24-30.

Mr. Sunkel entered the sculpture division and won first prize.

William R. Brown, fine arts-industrial arts major, received third prize in the ceramic division. Brown is a junior from Creston, Iowa.

Fulton again scored in the opening play of the second quarter, making good a four yard struggle. Willis Hadenberg provided six points later in the period, and the half ended at 28-0.

'Cats Hold

A tightened Maryville defensive clamp restricted Pittsburg to only one second half tally. Tom Gosch earned the touchdown on a Vorgrin pass, making the final total 35-0.

Maryville now holds a 2-2 record in non-conference games. Next Saturday, the Bearcats will play hosts to another Pittsburg victim, Rolla, to open their conference season.

'Cats Lose Jack Boyd

Bearcat grid hopes were somewhat dimmed by an MIAA Conference ruling which declared hard-driving, senior full-back, Jack Boyd, ineligible for league play.

This powerful runner had been a main cog in the Maryville offensive attack in the two opening games.

3 Year Letterman

Jack lettered in football three seasons at NWMSC, and to his knowledge had one year of eligibility left.

However, he had participated in one year of basketball at Trenton Junior College; therefore, he was ruled ineligible for this season of varsity football.

Conference rules limit an athlete to four seasons of varsity competition.

Chalk Talk . . . Bob Cobb

Although the Bearcats went into competition against 'Jewell without the services of one of their foremost ground-gainers in Jack Boyd, they surprised the Cardinals with a devastating aerial attack which saw 14 of 22 pass-plays completed. In lifting their season record to two wins against one defeat, the 'Cats revealed a versatile offense which was able to click against a powerful Cardinal eleven.

A Helping Donation

Dr. J. W. Jones received from Mr. Paul Fields, funds chairman, a check for \$3,250, the amount collected in the Bearcat Quarterback Club for athletic scholarships at Northwest State College. Fields told the president of the college that 82 businessmen, professional men and individuals contributed to the campaign for which they received special passes to all MSC home athletic events. The campaign hit the \$3,250 mark when Whitaker Feed, Brown Shoe Fit, Dr. H. L. Poynter, Q. Goslee, Skidmore, and Edward Bird, Kansas City, made contributions.

Basketball Ahead

With the World Series and MIAA football the principal campus sporting attractions, basketball is quietly looming ahead on our athletic calendar.

Roundball mentor, Marion Moss reminds us that varsity basketball practice officially begins October 16.

3 Starters

The coming cage season will be one of rebuilding the squad around 6'5" Jerry Mesznarich, 6'4" Don Drake, and 6'3" Paul Lizzo. These three returning starters along with other monogram-winners, Bob Ogden and Dick Hicks, form the nucleus around which this season's hardwood team will be rebuilt.

Coach Moss urges all who are interested to come and try out for varsity basketball, especially boys over 6'5"!

The World Series was a favorite topic for campus discussion. Almost everyone had a layman's opinion on the outcome of the annual Fall Classic.

In fact, we had a prediction, too. Our chrystal ball picked the Yankees in six games. It struck out for us, but so did the Redlegs! Win a few, lose a few. . .

'B' Team Backs Up Good Record

The NWMSC "B" team is setting a fine winning pace this season. Their record stands at two wins and one tie.

This squad, which consists of freshmen and sophomores, promises better things in the future.

The first outing for the Bees was against Kirksville, at Trenton. The Bees triumphed in that one by the score of 20-0.

Charlie Butler and Bob Early provided the offensive punch for Maryville on this occasion.

Tie Valley

Next, the Bees engaged in a 13-13 tie with a powerful Missouri Valley "B" squad. This time Charlie Butler and Prime Williams supplied the needed scores.

On October 3, the Bees downed Peru State's B team 26-9. The 'Cats were down two points at half time, but came back with a blazing second half. Prime Williams, Bob Early, Doug Price, and Richard Bonde all made the scoring column.

Ron Lamansky, Joe Heater, Jim Hainey, Michael Risi, and Larry Mitchell were all praised by Coach Richey for their defensive play.
